

### **REMARKS/ARGUMENTS**

The Applicant respectfully requests reconsideration of the present Application in view of the foregoing amendments and in view of the reasons that follow.

This amendment adds, changes, and deletes claims in this Application. A detailed listing of claims that are, or were, in the Application, irrespective of whether claims remain under examination in the Application is presented, with an appropriate defined status identifier.

#### **Status of the Claims**

Claims 11, and 24-26 are being cancelled.

Claims 1, 6, 7, 10, 14, 15, and 28 are currently amended.

Claims 1-10, 12-23 and 28-29 are now pending in this Application.

#### **Claim Rejections and Objections**

On pages 2-10 of the Office Action, claims 1-23 and 28-29 were rejected over either Abrams by itself or in combination with Takeda et al. With this amendment, independent claims 1, 6, 10, 15, and 28 have been amended to recite selection of high definition content or video by a user and, “said user selection is made by selecting a composite image.” Neither Abrams nor Takeda et al. disclose such a method. Further, claim 1, as amended recites, “said plurality of personal computing device devices displays displays said high definition video on said plurality of high resolution display device devices independently of oneanother.” Neither Abrams nor Takeda et al. disclose such an interactive system for the delivery of high definition content.

Accordingly, no proper combination of Abrams and Takeda et al. teaches or suggests all the elements of independent claims 1, 6, 10, 15, and 28 and corresponding dependent claims 2-5, 7-9, 12-14, 16-23, and 29. Applicants respectfully request reconsideration and allowance of claims 1-10, 12-23 and 28-29 as amended.

### **Conclusion**

Applicant respectfully submits the claims are in condition for formal allowance which is courteously solicited. If any issue regarding the allowability of any of the pending claims in the present application could be readily resolved, or if other action could be taken to further advance this application such as an Examiner's amendment, or if the Examiner should have any questions regarding the present amendment, it is respectfully requested that the Examiner please telephone Applicant's undersigned attorney in this regard. Should any fees be necessitated by this response, the Commissioner is hereby authorized to deduct such fees from Deposit Account No. 11-0160.

Respectfully submitted,
